Cocktails

Witches' Brew $19

Butterfly pea flower infused vodka, triple sec, raspberry and fresh lemon, topped with soda. It arrives a deep, midnight blue, then turns a bewitching violet as the citrus works its magic.

Sweet-tart, bubbly and just a little bit wicked.

Eyechi Martini $23

Silky lychee and crisp vodka, sharpened with a twist of lemon and sweetened just enough to lure you in. Served in a blood-rimmed glass and crowned with a bloodshot eyeball that watches you while you sip. Dare to drink it before it stares back.

Grave Mistake $23

Dark chocolate liqueur and cool peppermint, swirled with velvety cream and buried beneath a crumble of graveyard soil. Rich, dark, and deadly smooth. One sip and you'll never want to leave the cemetery.
